Specializing in African Violets and Begonias JUL 15 '85

SB115
2915815
This list includes the best standard varieties as well as some of the newest introductions.

If selection of variety is left to us, we can choose large blooming plants ready for immediate re-sale.

Since we carry so many varieties of violets, all varieties may not be in bloom at certain times. However we always have a large stock of plants in heavy bud and bloom. Unless orders specify second and third choice, we reserve the right to substitute similar plants so that we can expedite your order. If you wish plants regardless of size, please indicate.

Shipments are not made in excessively cold temperatures but your order is scheduled and shipped immediately when weather permits. We regret these delays but as we can not be responsible for damage incurred in route, we do our best to protect our customers.

We sell F. O. B. Newnan, Georgia and ship express collect. All claims must be made directly to the carrier used.

Minimum order 25 plants, any assortment, begonias may be included. Terms, cash with order.
